

# 1<sup>st</sup> Meeting of the Network on Counterfactual Impact Evaluation (NetCIEx) Friday January 17, 2020

**Venue:** Room 3, Bld. 36B, Joint Research Centre. Via E. Fermi 2749, 21027 Ispra (VA), Italy.

## Objective

The objective of this first meeting is to share information on research projects using Counterfactual Impact Evaluation (CIE) within the network. The meeting is structured in discussions and presentations of empirical studies, possibly still in a design phase.

The expected outcomes of this first meeting are:

- improved information about research activities of institutions in the network;
- identification of possible future activities to be performed in the network.
