LACK OF DATA OR TOO MANY DATA?

"It is a capital mistake to theorize before one has data. Insensibly one begins to twist facts to suit theories, instead of theories to suit facts" Sherlock Holmes, "A Study in Scarlett" (Arthur Conan Doyle). "You can have data without information, but you cannot have information without data." — Daniel Keys Moran, computer programmer and science fiction writer.

"In God we trust. All others must bring data." – W. Edwards Deming, statistician.

"If we have data, let's look at data. If all we have are opinions, let's go with mine." – Jim Barksdale, former Netscape CEO
