

in-presence event in conjunction
with **EUROSOIL 2025**

VII EUROSOIL 2025
& X Congreso Ibérico
de la Ciencia del Suelo
SEVILLE-SPAIN 8-12 SEP

The **European Union Soil Observatory (EUSO)** will host one day of its **5th Stakeholder Forums** as an in-presence event in conjunction with **EUROSOIL 2025**. As an annual event, the forum provides a platform for dynamic interaction and knowledge sharing among the soil community, where this year the focus will be on the Mission Soil projects.

We are now accepting abstract submissions that highlight **innovative advancements and breakthroughs within the Mission Soil projects**.

Deadline for abstract submission for the event at EUROSOIL:
Thursday 15th May, 2025

Where: Seville, Spain
