Played after the Public Voice's turn

An unforeseen event creates very favourable conditions for our action!

*Double a Future Impact Token
score
Played after the Public Voice's turn*

An unforeseen event is vindicating my action and my understanding, contrary to the perception of the public.

*Silence the Public Voice
Limits the Future Impact Tokens
the Public Voice can play on an
action card to one
Played during the Public Voice's
turn*

Fast communications advice raised our awareness on the potential public impact of this action and triggered an immediate strategic reaction.

*Remove two Future
Impact Tokens
Played after the Public
Voice's turn*

Accounting scandal! The budget you were counting on has been siphoned off to a tax heaven.

*Remove two Resource Tokens
Played after the Public Voice's turn
on another player*

Past experience has taught us to be very vigilant and very reactive in this crazy world.

*Block another Real Life card
This card can be played immediately to
disable another player's
Real Life card on your action*
